Budget Consideration

- The Vice Chairman opened the public comment period on the FY 2026-2027 Budget, which is attached hereto as Exhibit A, at 2:01 PM. No member of the public attended to provide comment. Accordingly, the Vice Chairman closed the public comment period at 2:01 PM. Mr. Legerski moved to approve the FY 2026-2027 Budget; Ms. Apel seconded. In discussion, Mr. Legerski inquired whether the Budget could be amended to extend current tire pricing by six months so that local businesses would have an opportunity to comment on the proposed change. The Board discussed that it could approve the Budget as presented but separately move to postpone implementation of the rate increase and, if the Board later decided not to increase rates, an amendment might be required to address lower collections. The motion to approve the Budget carried. Mr. Legerski then moved to postpone implementation of the tire recycling charge until October 1, 2026; Ms. Apel seconded. Motion carried.

Adjournment: Mr. Legerski moved to adjourn; Mr. Moss seconded. Motion carried.
